## Reminder – Invitation to Securitas' Investor Day on June 16, 2026, in London

Securitas is pleased to invite investors, analysts, and media representatives to our Investor Day, which will be held on June 16, 2026, in London. The event will begin at 08:30 and is expected to conclude around 12:00.

### Theme: Becoming the trusted partner in intelligence-led security

The Investor Day will outline how the company plans to deliver profitable growth during the next strategic period up to 2030. The management team will provide a deep dive into key developments within intelligence-led security as well as demonstrating how AI is changing the competitive landscape. This will be supported by updated financial targets up to 2030.

In additions, attendees to the Investor Day will be invited to participate in breakout demonstrations – illustrating how end-to-end-digitalization and intelligent security systems work in practice.
